

# YOGA SERVICE CENTERS

## RUNNING WITH THE INSPIRATION OF

### REVERED SWAMI RAMDEV JI MAHARAJ

**D**ivya Yoga Mandir Trust and Patanjali Yogpeeth have begun this service with the aim of making people disease free, motivate positive attitude and inspire them to lead a happy life. Patanjali Yogpeeth has now become the center of faith, cure and patriotism for millions of people.

Today an auspicious beginning has been made with the setting up of service centers in every nook and corner of the nation with an aim of making the nation disease free. This will provide good health facilities to needy people and they need not travel up to Hardwar. At these service centers qualified and experienced ayurvedic doctors are offering treatment for curable and incurable diseases free of cost. The medicines are equally priced at all centers and various books, Yoga Sandesh magazine; CDs and VCDs are also available at these centers.

A list of all service centers with their addresses and contact numbers is being published here for the benefit of our readers.
